Each Sunday The New York Times

Brings To Its Readers

1. A Newspaper

containing all the news from all over the world.

2. A Magazine

made up of authoritative articles reflecting important movements everywhere, full of information and interest.

3. A Picture Section

filled with news photographs that show pictorially what is going on in all parts of the globe, reproduced exactly like those in this magazine with additional pages in fine half tone.

4. Sports

—an accurate record of events in all kinds of sport
—one that is dependable.

5. Theatres and Music

done in a way that arouses interest and entertains.

6. Fashions

recognized everywhere as the best page in America for the well-dressed woman.

All This For Five Cents
